Hometown History's HallowThanksMas Selfie Stroll

Logansport's Historic Preservation Commission (HPC) presents another Hometown History event. Please join us for the HallowThanksMas Selfie Stroll. Logan's Landing welcomes you to use its selfie submission page to post your favorite seasonal selfies.

There is no rigid schedule, and everyone is welcome. Please be courteous, kind, and (above all) FESTIVE!

Guidelines

1. Selfies should represent any or all holidays occurring from October through January 1, 2027.
2. All locations must be within the Logansport city limits.
3. Submit selfies through Logan's Landing's Selfie Stroll page: https://bycell.co/decut. Include your name and photo location in the caption.
4. Prizes will be awarded after January 1, 2027. Prize-winning selfies will be posted on the HPC's business page and shared by Logan's Landing, Logansport ReImagined, and the City of Logansport.

Prize Categories

- **Social Butterflies** — Whoever participates in the most organized events.
- **Cutie Patooties** — Pictures of (human) littles in seasonal attire at organized events or in the presence of exterior decorations.
- **Animal Magnetism** — Pictures of costumed pets and their costumed people taken at any decorated location in town. Example: I just saw a Bulldog in a Turkey suit.
- **History Buffs** — Selfies taken at the most historic sites NOT hosting an actual event. Examples: Visiting the downtown Cass County Historical Society Museum, posing at the State Theatre, in front of the City Building, or next to the big steer at Bullshipper's… the list is endless!
- **On the Carousel** — Picture actually riding an animal on the Dentzel Carousel (we realize it might be safer to have someone else take your picture!)
- **Lit** — Selfies in front of highly decorated properties and light displays. The Light-up Logansport Parade or Christmas in the Park would be just perfect for this!
- **Red All Over** — Attire or décor or both featuring red as the dominant color.
- **You're a Mean One** — You guessed it! Attire or décor or both featuring GREEN as the dominant color.
- **Ice Ice Baby** — Downtown Logansport has an ice skating rink!! Post a selfie or a picture safely taken by an observer of you ON the ice. Glide, slide, or bounce, we welcome you skating, standing, or falling… in no particular order.

Prize Sponsorship Opportunities

The HPC invites businesses, families, professional and service organizations, and interested individuals to provide a prize for any existing category OR to create a prize category and furnish a prize.
